“Get a head start for a new school year!”

Pre-uni New College is offering Year 7 students the opportunity to prepare for next year’s Year 8 studies starting from Spring Holiday and Term 4. They will commence the Year 8 course ahead of the NSW school curriculum. We believe that by familiarising students with topics they have not learnt at school yet, students will become more confident and improve their overall marks, placing them ahead of their peers. For this reason, commencing in Term 4, all students will be taught material which is a grade above them.

Year 7 Spring Holiday Course (30 Sep – 11 Oct)

The fundamental logic behind offering the holiday course is to intensely review exercises of past materials and also preview materials ahead of school. Please find our upcoming spring holiday course schedule for Year 7 students below.

Year 7 Mathematics 30 Sep – 4 Oct 8:30am – 11:45am Fee: \$275
Topics include: Algebra, Linear Equations, Percentages, Pythagoras’ Theorem, Indices, Equations, Inequations, Formulae, Co-ordinate Geometry, Products and Factors.

Year 7 Science 30 Sep – 4 Oct 12:15pm – 3:30pm Fee: \$275
This course gives students first-hand experience with experiments, dissection, competitions, games and the latest educational DVDs. It covers skills (tables, graphs and scientific diagrams) and knowledge of Year 8 courses in Biological sciences, chemical reactions, world of Physics introduction.

Stage 4 Writing 8 Oct – 11 Oct 8:30am – 11:45am Fee: \$220
This course will develop students short and extended written responses. Students will engage with a variety of written texts to explain the way that language shapes meaning. Students will respond to and compose a range of responses using the language and structural features of different text types.

Stage 4 Critical Reading 8 Oct – 11 Oct 12:15pm – 3:30pm Fee: \$220
The Critical Reading course explicitly teaches the skills needed to; comprehend, deconstruct and critically analyse spoken, written and visual texts of varying complexity. The course will also assist in the development of skills which enable students to express ideas and become active readers and learners.
