

## How Pre-Uni New College help you achieve academic success

Pre-Uni New College has always encouraged systematic hard work and effort from its students using specially developed work and study programs by highly qualified teachers.

Our specially designed, advanced, up-to-date curriculum is taught with enthusiasm, skill and with great effect to our students. Our philosophy has always been to maintain this principle with diligent consistency.

With over twenty years experience in successful academic practice, we offer customised education programs and teaching methods to suit all secondary students.

Our Year 12 students have been achieved high levels of HSC excellence. From an average of 300 Pre-Uni New College students that sit the HSC each year, well over 200 students have consistently achieved an ATAR of 90 or above!

So if you are seeking an excellent ATAR or higher levels of academic skills and knowledge, Pre-Uni New College can help you realise the best educational opportunities that are available in NSW.
