

2019 Term 4 Year 9 Speed+ Program

Experience the Endless Potential...

Students experience key areas of the Year 11 syllabus

Prepare students for immediate successes in Year 11

Encourage all students to enjoy learning and be self-motivated, reflective students

Extend talents and capabilities geared towards the HSC

Develop confidence to make a successful transition to the senior years of high school

✓ Speed+ English Curriculum

The course will include challenging extension work which focuses on developing advanced analytic, composing and research skills which form the basis of the English curriculum up to and including the HSC.

Students will develop skills and understandings of some of the key syllabus areas from the year 11 advanced program:

- Famous speeches which are included in the Advanced Year 11 Syllabus for Module B
- A critical study of the works of one poet, which is a mandatory aspect of the Advanced Syllabus (Stage 6)
- The significance of contextual issues on textual relevance and form

✓ Speed+ Mathematics Curriculum

Students will develop skills and understandings of some of the key syllabus areas from the Year 11 Mathematics extension program. Key topics to be addressed:

- Algebra and Surds
- Equations
- Geometry I
- Functions and Graphs
